

Georgia Aquarium • Whale Sharks

November 10-12, 2017

This is a spectacular trip that will exceed your aquarium expectations, with opportunities for both scuba divers and snorkelers. This is the only location in the world where encountering whale sharks in the water is guaranteed! The program includes admission to the world class Georgia Aquarium and all presentations and galleries. This is going to be a fun weekend getaway! The trip includes a two-night stay at Hyatt Place. (Walking distance to the aquarium.) It is possible to fly from Cleveland or take a roadtrip and drive to Georgia (drive time from Cleveland is roughly ten hours.)

Our host for this trip is the Georgia Aquarium, which offers an entertaining, educational and intriguing experience for guests of all ages. While promoting a fun and enjoyable learning experience, the aquarium instills in its guests a greater appreciation for the world's aquatic biodiversity. Discounted aquarium tickets are available for friends and family who won't be diving.

Beyond the aquarium itself, there is a host of things to see and do — most within easy walking distance of the hotel. Local attractions include:

- World of Coca-Cola
- Collete Football Hall of Fame
- Centennial Olympic Park
- Childrens Museum
- Skyview Atlanta
- Underground Atlanta
