

## Fiji

### April 9-18, 2009

Fiji offers world-class scuba diving set in a backdrop of beautiful terrain, spectacular beaches, lush rainforest and magnificent waterfalls. Just Add Water will show you a Fiji rich in tradition and culture and introduce you to some of the most delightful people in the world.

The lifestyle at Uprising Beach Resort centers around having fun. As the accompanying video shows, there is quite a lot to do in addition to just dive. You stay in traditional Fijian bures with one queen and one single bed. Each bure has a lounge area, tea and coffee bar facility, and a balcony. Another cool feature is they all have a hot/cold private outdoor shower.

Surrounded by over 190 miles of spectacular coral, Beqa Lagoon is one of the worlds largest barrier reefs. Diving these calm protected waters is like exploring another world. The water is clear and warm, visibility is typically over 100 feet, currents are mild, and the water temperature stays a fairly constant 80 degrees.

Many of the most spectacular dive sights are only a few minutes from shore, and if you stayed long enough, you could explore over 100 different sights! Boat groups can decide if they want all soft coral diving or up to three shark dives as well.

Optional activities include:

- *River Rafting or Kayaking:* This costs between \$150 and \$200 per person depending on if you want to do Luva River kayaking or Upper Navua white-water rafting.
- *Zip Line Tour:* The pictures should pretty much tell you what you need to know. \$80/person.

Trip price includes round-trip air fare from LAX, allowing you to use some of those frequent flyer miles to get to LA, thus saving money. Considering it includes accommodations, meals, diving, air fare across the Pacific and more, this trip is quite a deal.
