

## Mayan Riviera (Ladies Only) May 19-23, 2010

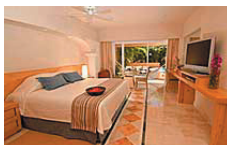

Just Add Water is going to the Mayan Riviera for five days of sun and fun. Think of this as a Mothers Day treat — or an after this winter I need something to look forward to escape. No husbands. No boyfriends. No kids.

Scuba, snorkel or just lie by the pool. Diving ranges from offshore reefs and walls to inland freshwater cenotes. We'll also organize yoga, water aerobics and jogs.

**The Hotel:** Nestled on the Puerto Aventuras Caribbean coastline, a luxury yachting community in the heart of the Mayan Riviera, the Omni Puerto Aventuras Hotel Beach Resort is a harmonious community of villas and luxury condominiums. It was built using native materials. The construction reflects the care and attention taken to respectfully integrate the hotel into its natural surroundings. Resort features include:

- Intimate 30-room resort with a private jacuzzi on each balcony or patio.
- Large, expansive beach with coral reefs ideal for snorkeling.
- Two connecting pools.
- High-speed wireless Internet access available in public areas.
- Over 15 different restaurants within walking distance.

Package includes airport transfers, accommodations and continental breakfast. Arrange your own air fare to Cancun or let us book it for you. Need more info? Call us at (440) 942-7575.
