

Bonaire

September 15-22, 2012

Consistently rated among the top three dive destinations in the Caribbean, the island of Bonaire is renowned for its aquatic life, soft and hard corals — and some of the best shore diving on the planet. Located in the southeastern Caribbean, just 50 miles off the coast of Venezuela, Bonaire experiences

nearly perfect weather year round.

Where many Caribbean islands have a vertical wall that begins a mile or more from shore, Bonaire is surrounded by a steeply sloped incline that starts as little as 100 feet from shore, generally in 40 feet or less of water. This means that most of the island's best dive sites can be accessed by car or truck, as well as by boat.

Colorful, unpretentious and fun, the Divi Flamingo Beach Resort and Casino is the perfect base for vacationers drawn to the sleepy island of Bonaire and world-class Caribbean scuba diving. Spacious oceanfront and garden view guest rooms and suites are gaily decorated in bright, tropical colors. Private balconies overlook the Caribbean and invite guests to relax after a day of diving. The Divi Flamingo Beach Resort and Casino

offers Divi Dive Bonaire, a PADI 5-star Dive Center with custom dive boats, equipment and an experienced dive crew.

Our dive package includes six days of two-tank boat dives, five single-tank afternoon dives plus unlimited shore diving. You can go right off the hotel beach or rent a small truck to visit the many numbered dive sites up and down the coast.
