

Bonaire

February 20-28, 2021

Surrounded by over 50 spectacular dive sites, Bonaire is known for awe-inspiring underwater scenery. Bright

sunshine, hues of pink and ocean blue greet

guests on an island that defines itself by relaxation and world-class diving. All the waters and reefs of Bonaire have been designated as a national

park and are carefully protected from damaging boating activity by strictly enforced government regulations. A ban on spearfishing has made the diverse and abundant marine life friendly and completely at ease among divers. Shore divers and snorkelers delight in the house reef, which is accessible directly from the beach at the resort. Explore pristine reefs in a vast clear sea. Find a quiet oasis. Sample a unique culture full of hidden treasure.
