

## Dominica November 5-12, 2023

As one of the top ten diving destinations in the world, Dominica has so much to offer divers of any experience level. There are calm shallows to explore, where curious seahorses cling to coral branches.

Deeper waters make home for over 20 species of whales that frequent these seas. Fantastic wall dives and unique crevices are waiting to be explore. La Sorciere, also known as L'Abym, is one of the most popular wall dives, where divers can peruse easily, as there is little to no current. Make your way along the volcanic ridge of Crater's Edge, where barracuda stalk their prey and large schools of tuna and snapper make appearances.

Thermal springs erupt around the island, including underwater where volcanic bubbles and warm water emanate from certain sites.

Where city, reef and rainforest converge, Fort Young Hotel & Dive Resort is a full-service, heritage hotel on the Caribbean Sea. Our coveted oceanfront placement amidst Dominica's vibrant capital, Roseau, provides unmatched access to the heart of the island, while our modern, boutique-style accommodations and peerless amenities complete an idyllic Caribbean holiday.

From seaside al fresco dining, entertainment and duty-free shopping on the resort's waterfront, to the neighboring French Quarter's Saturday markets and unfathomable adventures at your doorstep — waterfall hikes, hot spring soaks, rainforest walks and world-class scuba diving right off the dock — Fort Young Hotel & Dive Resort is your gateway to experiencing Dominica by both land and sea.
