

Fiji

September 16- 23, 2023

Set on a head land amongst lush gardens and a marine playground on your doorstep, the Volivoli Beach Resort offers you a range of uninterrupted ocean view accommodations, perfect for divers or simply friends traveling together. Take the plunge; you'll be amazed what's below the surface.

The reefs in the surrounding Bligh Waters are some of the healthiest in the world, with very little pollution and few boats, so you'll be able to see an array of marine life including anemone fish, turtles, colourful soft coral and reef sharks. The staff has hand picked more than 50 superb dive sites. Most of the best sites are no more than 20 minutes by boat from Volivoli Beach.

The dive sites are a mixture of walls, bommies and drift dives, all of which are teeming with life and colour. Sites like Black magic mountain, Mellow yellow and Instant replay will soon be etched in your memory forever! *At the present time, all travelers must be fully vaccinated to enter Fiji.*
