

Just Add Water

SWIM • SNORKEL • SCUBA

Turquoise Bay, Roatan

October 10-17, 2026

Get ready to fall in love with Roatan! Tucked into one of the most lush, untouched corners of the island, Turquoise Bay is the only dive resort in this remote area—meaning you'll have access to uncrowded, pristine dive and snorkel sites that feel like your own private underwater playground.

Roatan's North Shore is famous for offering the widest variety of reef topography on the island. And because the Bay Islands sit along the world's second-largest barrier reef, protected by the Roatan Marine Park and a community dedicated to conservation, the reefs here are some of the healthiest and most vibrant in the Caribbean. Imagine drifting over sloping plateaus filled with tiny macro critters, exploring sheer walls draped in soft corals and giant barrel sponges, weaving through trenches, crevices, and cavern systems, or dropping into wrecks bursting with marine life.

Every dive feels like a new adventure—and every snorkel is a front-row seat to the wild beauty of Roatan's underwater world.

Join Just Add Water for this unforgettable tropical dive getaway—your next great underwater story starts here!

The Trip at a Glance
