

Clarks Cay Guanaja

May 2-9, 2026

If you're looking for a dive experience unlike any other, **Clark's Cay in Guanaja** delivers just that—an exclusive island retreat paired with access to some of the most pristine and uncrowded reefs in the Caribbean.

This 4-acre private island caters to divers with incredible comfort and convenience. After your morning dives on vibrant, untouched reefs teeming with marine life, relax in the infinity pool, soak in the hot tub, or drift along the lazy river while watching the sun set over the water.

Diving around Guanaja is known for its dramatic walls, tunnels, and pinnacles covered in healthy coral and sponge growth. Marine life is abundant—divers can expect encounters with eagle rays, sea turtles, moray eels, nurse sharks, schooling creole wrasse, and the occasional dolphin. Macro lovers will appreciate the colorful nudibranchs, seahorses, and cleaner shrimp hiding in the reef. Come for the diving. Stay for the paradise.
