

Bimini, Bahamas

February 8-12, 2020

Bimini's direct exposure to the Atlantic Ocean and relatively shallow reefs make for one of the most spectacular aquatic destinations in The Bahamas.

The amazing coral reefs, blue holes and canyons are not only easily accessible but provide shelter for an abundance of marine life ranging from the tiniest of reef fish to turtles, dolphins, eagle rays and so much more.

Experience the thrill of a lifetime! Bimini has emerged as one of the best places on the planet to encounter one of the ocean's most amazing predators, the Great Hammerhead Shark.
