

## Blackbeard's Bahamas

October 8-14, 2022

This is one of diving's most exceptional values.

Blackbeard's Cruises has sailed the Bahamas for over 30 years and carried more divers than any other operation in the Caribbean.

Blackbeard's is an adventure packed, affordable dive vacation with something for everyone.

Whether an average Joe or a CEO, the Bahamas itinerary includes the best variety of diving, including walls, wrecks, reefs, drifts, blue holes, night and shark dives.

The boat departs from Nassau, a one hour flight from Florida. You live dormitory style in cabins on a 65-foot sailing sloop. Pack light because everything you take on board lives in your bunk with you. Dive equipment sleeps topside; You sleep below in a bunk all your own.

The \$1,375/diver base price includes meals, beverages/bar, up to four dives a day, sleeping accommodations, use of tanks and weights
