

Georgia Aquarium

October 17, 2020

Journey with Gentle Giants is the only opportunity in the world where you're guaranteed to dive with whale sharks, manta rays and thousands of other sea creatures. Suit up to dive in the lively waters of the Ocean Voyager exhibit, and have the experience of a lifetime.

It is possible to fly from Cleveland or take a roadtrip and drive to Georgia (drive time from Cleveland is roughly ten hours.) To make travel even easier, the aquarium supplies all of the equipment you will need. (To prevent contamination and for the safety of the animals, the aquarium requires you to use their dive equipment. You may bring your own mask. All other equipment is provided.)
