

Red Sea

May 24 – June 6, 2020

Join us on a joint land-based tour and liveaboard trip to Egypt and the Red Sea! Travel to the land of the Pharaohs and explore Egypt's famous treasures. Enjoy touring The Pyramids, The Sphinx, Luxor Temple, and more.

After touring Egypt and its treasures, depart on a 7 night cruise onboard the MV Emperor Elite and experience some of the best diving the Red Sea has to offer. Weather permitting you will dive 3 of the top dive sites in the area: Big and Little Brothers, Deadulas Reef, and Elphinstone.

These sites attract a diverse array of marine species and large pelagics. Large tuna, jacks and snappers cruise in the blue, accompanied by occasional hammerheads, silvertips, silky and oceanic white tip sharks and mantas. Even the rare thresher shark can be found here. For the coral lovers, there is rich growth of soft and hard corals. The diversity of the Red Sea's reefs means that there's something for everyone whether you're into hard-to-spot macro species or sharks.
